## BOWDOIN TOMORROW.

### Squad of Sixteen Takes Trip to Brunswick.

After making one of the longest trips which the schedule calls for, the Trinity football team will play one of the hardest contests of the year Saturday when it meets Bowdoin at Brunswick, Maine. The Maine college has the reputation of turning out hard-fighting teams, and it is living up to its name this year, as is shown by the fact that last Saturday Wesleyan had to work much harder than was expected to beat Bowdoin 13 to 7. With such stiff opposition assured, Coach Gettell has left nothing undone to put the Trinity team into condition. While last Saturday's victory over Worcester Tech was an overwhelming one, Trinity's showing was not pleasing to Coach Gettell. The persistency of the backs in fumbling, their failure to follow their interference, and the lack of head work noticeable at times in both backfield and line, were the faults which had to be overcome. All week practice has been held with this end in view, and in the practice game with the second team Wednesday afternoon a big improvement was shown. In the Tech game the men had shown spirit of the finest sort and this was true in practice also. This abundance of "pep" combined with the gruelling work which they have done in practice has put the team into splendid shape and their prospects against Bowdoin are bright.

Last year Trinity beat Bowdoin 27 to 0. This year Trinity is known to be stronger than in 1912, and, judging from its showing against Wesleyan, Bowdoin is also, so a stiff game is assured. Although figures are not safe guides in making football comparisons, and the scores which Trinity and Wesleyan make against Bowdoin will not afford an accurate line upon the prospects of Trinity against Wesleyan next month, all Trinity supporters would like to see their team make a better showing against the Maine men than Wesleyan did. To do this it is thought that Trinity will start the game with the same lineup that was used last Saturday. Cole and Smith will be the ends, Woolley and Howell the tackles, Castator and Lambert the guards, Kinney center, Ives quarterback, Moore and Coffee the halfbacks, and Captain Hudson fullback. In addition to this regular line-up Bradley, Wessels and Elder will be taken on the trip as substitute linemen and Craig and Meyer as backs. The work of Bradley, Craig and Elder has featured the playing of the second team in practice and it is probable that they will get a chance against Bowdoin. The squad will leave Hartford Friday morning and will arrive in Brunswick the same night.

## ANNUAL Y. M. C. A. RECEPTION.

### Function well Attended by Students, Professors and their Wives.

The Trinity College branch of the Y. M. C. A. was the host at a well attended reception held Monday evening, October 6th, in Alumni Hall, given primarily with the view of furnishing an opportunity for students to meet the professors and their wives, and also for becoming better acquainted among themselves.

Three speakers were provided for the occasion. Moses, '14, president of the college Y. M. C. A., made a brief opening address, giving a resume of the past year's work, which included social work, work at the Spruce Street Mission for street boys, the institution of brief Sunday afternoon services in the chapel, the conducting of Bible and mission study classes, and a campaign for raising funds to secure a college secretary. The failure of the latter enterprise was due, not to insufficient funds obtained, as both undergraduates and alumni contributed generously, but to the tardiness with which the campaign was conceived of and undertaken, which made the securing of a suitable man impossible.

Mr. Moses then introduced as the next speaker Mr. Stoddard Lane, Amherst, '09, whose topic was the place of the Y. M. C. A. in college life. Mr. Lane's address was earnest and inspiring and commanded the attention of all. He first quoted the words of President Mikeljohn of Amherst, himself once a notable athlete, who declared the Y. M. C. A. to be the most important branch of extra curriculum activity, because it was most in line with the aim of colleges, the development of cultured character.

"There is a vital connection between religion and character," said Mr. Lane, "for we find the greatest moral principles in the example of Christ. An ideal in life is not sufficient. We must have a dynamic power from outside which shall help us attain our ideal. The ideal and power, Christ, the Y. M. C. A. stands for. It stands for all-around development, not alone of the mind and body, but also of the soul, a development which we must have. Our character, too, must be in the right relation with men, which means the avoidance of being self-centered, and thoughtfulness of the other fellow. To sum up these remarks, the Y. M. C. A. in college stands for character, and the wish to help and uplift others."

The next speaker was Theodore C. Hudson, '14, captain of the football team. After a brief outline of the football prospects, he distributed some excellent advice in the shape of a suggestion to freshmen that they become generally acquainted, first with the men of their own class and then the remainder of the students.

(Continued on page 3.)

## GLEE CLUB REHEARSAL.

### Large Attendance. R. F. Walker Elected Manager.

At the first rehearsal of the glee club, held Tuesday evening at 90 Vernon St., R. F. Walker was elected manager of the combined musical clubs on the resignation of J. S. Moses. Moses resigned because he was unable to devote the necessary time to the work. Walker was manager of the hockey team last year and also played on the team. He is a member of the Beta Beta chapter of Psi Upsilon.

Nearly all of the men who sang on the club last year were present at the rehearsal, as well as a large number of freshmen, from whose ranks will be chosen the men to fill the comparatively few vacancies. Mr. Weyhe, the trainer, expressed the opinion that with the aid of the new material, the club should improve one hundred per cent. on last year's organization.

Among the new songs for the coming season, there will be two selections of the Hawaiian music from "The Bird of Paradise." Mr. Weyhe has arranged them especially for the club.

## Bleachers Repaired.

The element of fear need no longer possess those who sit on the bleachers, which run from north to south on Trinity Field, for by repairing and enlarging the broad seats, all the crowd can be accommodated with perfect safety. At the beginning of the football season, the bleachers were found to be unsafe, so the carpenters were immediately ordered to repair them. Under stress of various duties, the work was somewhat delayed, but recently the matter was attended to, and the aspect of the broad boards, both for safety and comfort, has been considerably bettered.

## S. D. C. ELECTIONS.

### Sophomore Honorary Society Chooses Six Men.

At a meeting of the Sophomore Dining Club held on Wednesday the following men were elected for the class of 1916: Frederick Barwick Castator of Brooklyn, N. Y., James Landon Cole of Hartford, Conn., John Norton Ives of Detroit, Mich., Frank Lambert of Baltimore, Md., Robert Starr Martin of Royal Oak, Md., and Frederick Porter Woolley of Hartford, Conn. All of the six have been prominent in college activities.

Castator played a star game on the 1912 football team, being one of the strongest linemen Trinity has ever had.

Cole is another of last year's football stars, figuring prominently at end last year. He was also the first president of his class.

Ives is showing up well as quarterback on the 'varsity this fall. He was president of his class during the spring term last year and has been prominent in the work of the Y. M. C. A.

Lambert played guard last year on the football team and was on the base ball squad, playing first base in a number of games.

Martin was elected assistant manager of the baseball team last spring and was also a member of the Mandolin Club.

Woolley is a fixture in this year's football team at tackle. He was prominent in many of the class activities last year.

These six men will elect nine more according to the usual custom.

## SECOND TEAM AT POMFRET.

### Scrubs Open Season Tomorrow. Good Schedule Arranged.

Assistant manager Stites of the football team has arranged the following schedule for the second team:

Oct. 11—Pomfret School at Pomfret.  
Nov. 1—Hotchkiss School at Lakeville.  
Nov. 7—Hartford H. S. at Hartford.  
Nov. 15—St. Paul's School at Concord, N. H.

The following men will go to Pomfret Saturday: Baridon, '14, Bassford, '14, Leland, '14, Pollock, '15, Maxon, '16, Jepson, '17, Armstrong, '17, Rainsbury, '17, Peabody, '17, and six others, to be selected after today's practice.

## Special Service for College Men.

The undergraduates of Trinity College are invited to attend, (en masse) the service in St. James' Church next Sunday evening at 7.30 o'clock. The rector, Rev. E. C. Thomas, Trinity, '03, has a proposition to make at that time, which, he thinks, will be of interest to them.

## Flashlight Specialties.

In our Auto Dep't., entrance on Temple Street, we offer you choice of a complete line of Flash Lights—extra Lamps and Batteries.

## "NOW THEN TRINITY"

### The Underclass Meet.

We wish to take this opportunity to urge every man in the two lower classes who has any athletic ability whatever, to enter the underclass meet Monday afternoon. No matter whether you have practiced this fall or not. If you have ever done anything on track or field it is your duty to help your class, and incidentally to give the coach and captain of the 'varsity a chance to see what you can do. We say, incidentally, but in reality the object of the meet is to give the captain an idea of the new material.

It may seem to some that we emphasize the importance of athletics too much. This may be true. Like it, or not, however, everyone who reads this will have to acknowledge that a college's reputation is built very largely on its athletic prowess. Especially is this the case with the smaller colleges. Our football team during the past few years has done more, we believe, than any thing else to bring large classes here. In baseball and track we have attained, at best, mediocrity. Last spring we nearly defeated Wesleyan in track. We can do it this year if enough new men

come out. We are particularly fortunate in having Olmstead, '08, as coach, and many of you who think that you have little or no ability, will be surprised to find yourselves good track men under his coaching. Come out until it has been fairly proved that you are no good; take it for granted that you have ability until Olmstead tells you that you are mistaken.

### UNDERCLASS TRACK MEET.

Freshmen and Sophomores Clash  
Next Monday.

On Monday, October 13th, the Freshman-Sophomore track meet will be held on Trinity Field. Acting manager Townsend has had the apparatus out all week in preparation for the meet and the men have been practicing daily. The outlook for the freshmen is not particularly bright, owing to the irregularity of their practice, but the college will watch with interest just what material is acceptable from that class. It may be said, however, that there is more talent among the freshmen for the dashes than for the heavier work.

Schmitt, the sophomore captain, is expected to be a point winner in the hurdles, high jumps and shot put, and has endeavored to put out a consistent, well-balanced team. It is to be expected that the sophomores will have the upper hand, owing to the fact that they are better organized and the college knows what they can do from previous trials.

The events will be as follows: 100-yd. dash, 220-yd. dash, 440-yd. dash 880-yd. dash, mile, broad jump, high jump, pole vault, hammer throw, discus throw, shot put, 120-yd. high hurdles, and 120-yd. low hurdles.

The officials who will probably be on hand are as follows: Hudson, '14, starter; Moses, '14, clerk of the course; Baridon, '14, and Dr. Swan, timers; Murray, '15, judge of field events; A. Walker, '14, and Moore, '14, judges at finish; Dexter, '14, measurer; Wessels, '14, referee. This list is subject to change, however.

Football practice will be suspended on Monday, because of the track meet, and it is expected that the day will be one of interest to all.

### 1916 Class Meeting.

At a meeting of the class of 1916 on Tuesday last, J. Landon Cole of Hartford was chosen chairman of the Sophomore Hop committee. The election, after the first ballot, lay between Cole and Herbert Spencer, also of Hartford. Cole has had an enviable record in his short time at Trinity. Last year, besides playing a star game at end on the football team, he played on the hockey team, and was the leading man of the Freshman Play. This year finds him back at his position on the 'varsity football team, and also manager of hockey. He is a member of St. Anthony Hall. The remainder of the committee is to be appointed by the chairman.

### 1916 DEFEATS 1917.

#### Underclass Baseball Game Won by The Sophomores.

Trinity 1916 and 1917 met on the athletic field for the first time yesterday when the freshman nine went down to inglorious defeat in the underclass baseball game. When the smoke had rolled away after five innings, 1916 had fourteen runs to her credit, against one lone tally for 1917. The game was characterized by continuous and merciless batting by the sophomores and a marked inability on the part of the freshmen to connect with pitcher Baker's delivery.

The victors played a strong game in every department and the batting work closely approached 'varsity style. Croker, a new addition to the roll of 1916, made his debut, holding down the shortstop position in a very creditable manner. The losers had an off-day all around, but if any baseball talent is contained in the freshman class, there will be plenty of chance for it to be shown in the spring. The batteries

were Baker and Schmitt for 1916; Haynes, McKay, and Peabody for 1917. Captain Murray officiated.

### ANNUAL Y. M. C. A. RECEPTION.

(Continued from page 1.)

After Hudson's brief and pointed remarks, President Luther was called upon. He spoke of the Y. M. C. A. as a living and working example of Christian unity. "The test of character and fitness for membership is readiness to help and serve others. The feeling is growing among men who think differently that they can work together. The uniforms may be different, but the mark is the same, and the guns are of the same calibre."

Dr. Luther was the last speaker. Nilsson, '15, led in singing "Neath the Elms," and the meeting then resolved into its purely social capacity. Light refreshments were served.

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.
